**If you had trouble with the song, what measures did you have a hard time with?**

--

Here are some ways to practice. Circle the ones that work best for you:

**REFLECTION**

Practice the song slowly	Work on one measure at a time	Play the spot you are having trouble with correctly five times in a row	Finger through and say the notes at the same time
--------------------------	-------------------------------	---	---

If this assignment was easy for you--

- Try playing the song faster. Use a metronome to judge how fast you play.
- Try the scale exercises in the back of the book.
- Ask for a solo that you can practice on your own.
