

THE SPECIAL EDITION

Important Dates

Spring Break

3/10-3/16

IEP Completion Deadline

Chris asks that all remaining IEP's for the school year be scheduled to take place by Friday, April 12th. This is a bit of a change from the previous email, but a Friday deadline is better than a Monday. This timeline allows meetings to be held, IEP's to be reviewed and any necessary corrections to be made prior to checkout at the end of the year.

This should include IEP's for those students who have been determined by the Team to qualify for ESY services.

The exception to this will be Preschool who has it's own unique set of requirements and timelines.

Chris also asks that IEP's due before 9/15/2019 to be scheduled prior to the end of this school year.

Inservice Logs

Para inservice logs are due to the Cooperative office on Friday, 3/29/19. Logs should be complete, signed by the para and supervising teacher, and include certificates/documentation of hours.

ESY SERVICES

Please make sure, that when writing the ESY section in IEPs, that all services and service lines match up to what is being recommended by each provider. ESY is a team decision and everyone needs to be involved when making decisions as to what service(s) and how much time is needed during this time. Please let us know if you have any questions. Thank you!

Happy Birthday!
