

Accidental Insurance Coverage

Dear Parent(s)/Guardian(s):

The Wamego Public School system does not provide for accident insurance to cover injuries incurred by your child at school or school-sponsored activities. We encourage all families to have accident insurance coverage on their children prior to their participation in any sports or other school activity. Please review the following student insurance program.

If you have a plan with a Deductible, Co-Pay or Limited Benefits, or No Other Insurance on your child, we encourage you to consider this coverage. The options provided are:
