

USD 320 Covid Reopening Plan for 2024-2025

Covid testing and monitoring of symptoms is encouraged to be done by families this year. Over the counter (OTC) Covid tests will be available to families and staff of USD 320. Please reach out to your school building nurse if you are in need of tests.

WHAT CAN YOU DO?

- Stay home when you are feeling sick
- Wash hands or use hand sanitizer frequently
- Get vaccinated if you are able
- Test yourself if exposed

WHAT IF YOU TEST POSITIVE FOR COVID OR INFLUENZA?

If a student or staff member tests positive for Covid or Influenza, they are required to stay home until they are fever free for 24 hours, without taking fever reducing medication such as Tylenol or Ibuprofen, and may return to school when symptoms are improving. Wearing a mask upon return is optional. The Centers for Disease Control and Prevention and Kansas Department of Health and Environment no longer require a 5 day quarantine.

WHAT TESTS ARE AVAILABLE FOR STUDENTS/STAFF?

- FlowFlex Covid-19 Antigen Home Tests are free for students and staff while supplies last. Please ask your school nurse for tests.
- BD Veritor Covid/Influenza Combo Tests are offered by the school nurse, during school hours, if symptoms warrant testing.

WHAT IS USD 320 DOING?

- Encouraging staff and students to wash hands and use hand sanitizer frequently
- Making testing for Covid and Influenza easily available for families free of charge
- Using air purifiers in each classroom
- Enhanced cleaning of school buildings
- Monthly meetings with Pottawatomie County Health Department
- Monitor and adhere to KDHE guidelines
