I hereby give my permission for _____, to be given the above medication by the school nurse or other authorized personnel as ordered. I understand that it is my responsibility to provide this medication. I further understand that any school employee who administers any drug to my child in accordance with written instructions from the physician or dentist, shall not be liable for damages as a result of an adverse drug reaction suffered by the student. My child has/will have received at least one dose of this medication without an allergic reaction before bringing the medication to school. The USD 320 nurse has my permission to call the prescribing doctor regarding this medication and/or the pharmacy as identified on the affixed pharmacy label.

Please Note: This form must be completed before any prescription medication can be administered at school.

- The medication must be brought to school in the original container, appropriately labeled by the pharmacy or physician, stating the name of the medication, the dosage, and the number of days to be administered at school.
- Students who are on an on-going prescription must complete a new consent form each school year.

Please check the school handbook for more information.
